

2023 Heat Relief Program

The Council on Aging for Henderson County has been awarded 2 grants from Duke Energy Progress and Duke Energy Carolinas. These grants allow our agency to purchase and distribute fans to eligible residents of Henderson County.

Eligibility :

- Must be age 60 or older
- Those under 60 must have a disability
- Resident of Henderson County
- Have a home situation where a threat to the person's health & well being exists (or...it is hot in here!)

Fans are limited to one per household

We would like to ensure we reach all those who would benefit from receiving a free fan.

Thank you to Land of Sky Regional Council for assisting with the distribution of these funds.
