MemoryCare’s community education is supported through donations – your help is appreciated!

Donations may be made online at www.memorycare.org. MemoryCare is nonprofit charitable organization whose mission is three-fold: To provide specialized medical care to older adults with cognitive impairment; to support caregivers with education, counseling, and improved access to services; and to provide community education.

MemoryCare is a 501(c)3 public charity as determined by the Internal Revenue Service, Federal Tax ID: 56-2178294.

Financial information about this organization and a copy of its license are available from the Charitable Solicitation Licensing Section at 919-814-5400. The license is not an endorsement by the State.

Caregiver College resumes October 15th through November 19th.
